

SOMERSET HOA TENNIS COURT RULES

Warning: Use the east Tennis Court at your own risk!

1. Lights will go out at 10:00 p.m. as a courtesy to our neighbors. You must exit before the closing time, or you will be locked in!
2. Climbing, hanging, or standing on Tennis Court fences, nets, or benches is not allowed.
3. Tennis Courts are for playing tennis only. No skateboards, bikes, or similar items are allowed on the Tennis Courts or inside the gates.
4. Court guests must wear appropriate footwear so as not to damage the surface.
5. Please be courteous of others waiting to play. A one-hour maximum playing time is allowed if others are waiting.
6. Lights: The lights have been changed to a dialer timer but take a few minutes to come on. Please be patient while they heat up. To keep the lights running continuously you must keep track of your time and adjust the timer as needed. Once the lights go off, they cannot come on again for about 30 minutes! If the lights are not functional, please report that to a member of the HOA Board.
7. Keep the Tennis Courts free of litter and debris. If you bring items in, take all of them back outside the Tennis Court area when you leave.
8. Always make sure the gate closes securely when entering or leaving. Bring your key fob with you inside of the Tennis Court so you don't get locked in.
9. Non-residents must be accompanied by a resident while they are on the Tennis Courts. Residents will be accountable for their guests.
10. Failure to comply with Tennis Court rules will result in a loss of Tennis Court privileges.

The HOA has the right to restrict use of the Tennis Courts or to levy fines for any violation of the above rules, non-payment of HOA dues, carelessness, or any other reason agreed upon by the HOA.

A Recreation Agreement Form must be on file before a Pool/Court Key Fob is issued and activated and use of the Tennis Courts or Pool is allowed.
